JOQUER

JOQUER IS AN ARTISANAL AND METICULOUS COMPANY THAT HAS BEEN MANUFACTURING UPHOLSTERED FURNITURE FOR FORTY YEARS.

Our essence lies in the patient crafting of high-quality products, offering personalized solutions to our clients through complete control of the manufacturing process. For us, every space is unique, and every person is different. That's why the design of all our collections, both indoor and outdoor, is tailored to respond to four distinct lifestyles: Essential, Cozy, Singular, and New Classic. The distinctive character of each is, at the same time, united under a single design

philosophy, making all our products exude an unmistakable aesthetic serenity. Our furniture comes to life through three core values: accessible luxury, a valuable piece for everyday use, and timeless design. These three values feed off one another, each being the natural consequence of the other two. Details, comfort, and materiality truly matter to us. That's why our motto is "The unique everyday," the ability to enjoy the everyday as something exceptional.

Joquer est une entreprise artisanale et méticuleuse qui fabrique des meubles rembourrés depuis quarante ans.

Notre essence réside dans l'élaboration patiente de produits de haute qualité, offrant des solutions personnalisées à nos clients grâce à un contrôle total du processus de fabrication.

Pour nous, chaque espace est unique et chaque personne est différente. C'est pourquoi le design de toutes nos collections, tant intérieures qu'extérieures, est conçu pour répondre à quatre styles de vie distincts : Essential, Cozy, Singular et New Classic.

Le caractère distinctif de chacun est, en même temps, uni sous une seule philosophie de design, ce qui fait que tous nos produits dégagent une sérénité esthétique indéniable.

Nos meubles prennent vie à travers trois valeurs fondamentales : le luxe accessible, une pièce précieuse pour un usage quotidien, et un design intemporel. Ces trois valeurs se nourrissent mutuellement, chacune étant la conséquence naturelle des deux autres.

Les détails, le confort et la matérialité ont véritablement de l'importance pour nous. C'est pourquoi notre slogan est "Le quotidien unique", la capacité de profiter de l'ordinaire comme quelque chose d'exceptionnel.

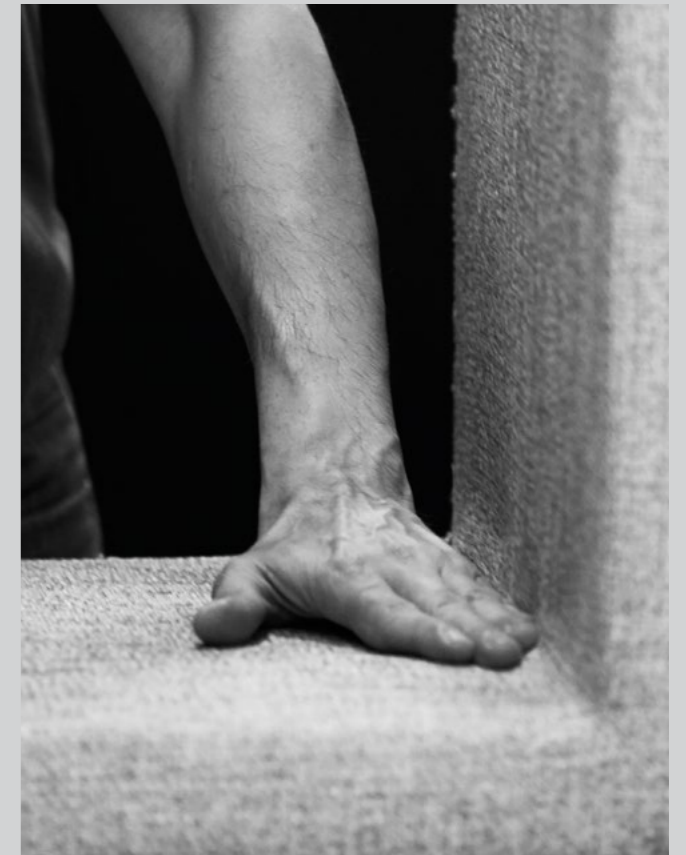

Joquer es una empresa artesana y cuidadosa que lleva cuarenta años fabricando mobiliario tapizado. Nuestra esencia es la elaboración paciente de productos de mucha calidad, dando respuestas personalizadas a nuestros clientes desde un control total del proceso de fabricación.

Para nosotros, cada espacio es único y cada persona es diferente. Por eso, el diseño de todas nuestras colecciones, de interior y exterior, responde a cuatro estilos de vida: Essential, Cozy, Singular y New Classic.

El carácter diferenciador de cada uno está, al mismo tiempo, unido bajo una misma forma de entender el diseño, lo que hace que todos nuestros productos respiren una inconfundible serenidad estética.

Nuestros muebles se hacen realidad a partir de tres valores: ser un lujo accesible, ser una pieza valiosa para cada día y tener un diseño atemporal. Los tres se retroalimentan, cada uno es la consecuencia natural de los otros dos.

Los detalles, la comodidad y la materialidad nos importan de verdad. Por eso nuestro lema es "The unique everyday", el saber disfrutar de lo cotidiano como algo excepcional.

SENSO COLLECTION.

WITH ITS SLEEK, COMFORTABLE FORMS, SENSO EMBODIES A TIMELESS LANGUAGE OF UNDERSTATED SOPHISTICATION. THE COLLECTION OFFERS FLEXIBLE, CUSTOMISABLE PIECES THAT BRING CONTEMPORARY COMFORT TO A WIDE RANGE OF SETTINGS.

Senso's design explores all possible compositions, allowing it to adapt effortlessly to both residential and contract or hospitality environments. For the base, you can choose between a floor-level version or one with legs. For the arms, three different designs are offered –or you can opt for a tray instead of an arm. The seat can be configured with a single cushion or multiple cushions. It also features a wide range of integrated trays in different materials, which can be placed on different areas of the sofa.

Avec ses lignes élancées et son grand confort, Senso offre un langage intemporel doublé d'une sophistication discrète. Il s'agit d'une collection de pièces modulables et personnalisables qui apportent un confort contemporain à des environnements variés.

Le design de Senso explore toutes les possibilités de compositions pour s'adapter aussi bien au cadre domestique qu'à des espaces contract et hospitality. Pour la base, par exemple, vous avez le choix entre une version à poser au sol ou une version reposant sur des pieds ; trois designs différents sont disponibles pour les accoudoirs, à moins que vous ne préfériez la version plateau à la place de l'accoudoir. Le siège peut compter un seul ou plusieurs coussins. Il dispose également d'une large gamme de plateaux de différents matériaux, intégrés à la structure, à placer à différents endroits du canapé.

Con sus formas esbeltas y muy cómodas, Senso propone un lenguaje atemporal de sofisticación discreta. Se trata de una colección de piezas flexibles y personalizables que introducen confort contemporáneo en una gran variedad de entornos. El diseño de Senso explora todas las posibilidades de composiciones para adaptarse tanto en el ámbito de hogar como en el universo contract y hospitality. En la base, por ejemplo, se puede escoger entre la versión a suelo o con patas; para los brazos se ofrecen tres diseños diferentes o bien optar por la versión de bandeja en lugar de brazo. El asiento se puede configurar con varios cojines o con un cojín único. Además, cuenta con una amplia gama de bandejas de diferentes materiales integradas en la estructura para ubicar en distintos lugares del sofá.

FIORE COLLECTION.

Fiore –Italian for “flower”– is a collection of dining and meeting tables with thick, solid wood tops. Its name comes from the leg design, which gives the table its distinctive character: a construction formed by three rounded mouldings at the end of the leg that, when viewed from above, create an abstract representation of the three petals of a flower.

Everything is configured through a very simple visual structure, with one plane set against another. Fiore is available in three versions: rectangular, round and large.

Cette collection de tables de salle à manger ou de réunion, dont les plateaux en bois offrent des volumes très généreux, tire son nom, Fiore (« Fleur » en italien), de la physionomie du pied qui lui donne son identité : une structure en forme de trois moulures arrondies à l'extrémité du pied, qui dessinent de manière abstraite les trois pétales d'une fleur. Tout est configuré selon une construction très simple de la structure visuelle, plan contre plan. Fiore existe en trois versions : rectangulaire, ronde et *Large*.

Esta colección de mesas de comedor o de reunión, con volúmenes muy gruesos en sus sobres de madera, toma su nombre, Fiore, “Flor” en italiano, del diseño de la pata que le da su seña de identidad: una construcción con forma de 3 molduras redondeadas en el extremo de la pata, que dibujan en planta la abstracción de los tres pétalos de una flor. Todo se configura a través de una construcción muy sencilla de estructura visual, de plano contra plano. Fiore tiene tres versiones: rectangular, redonda y versión *Large*.

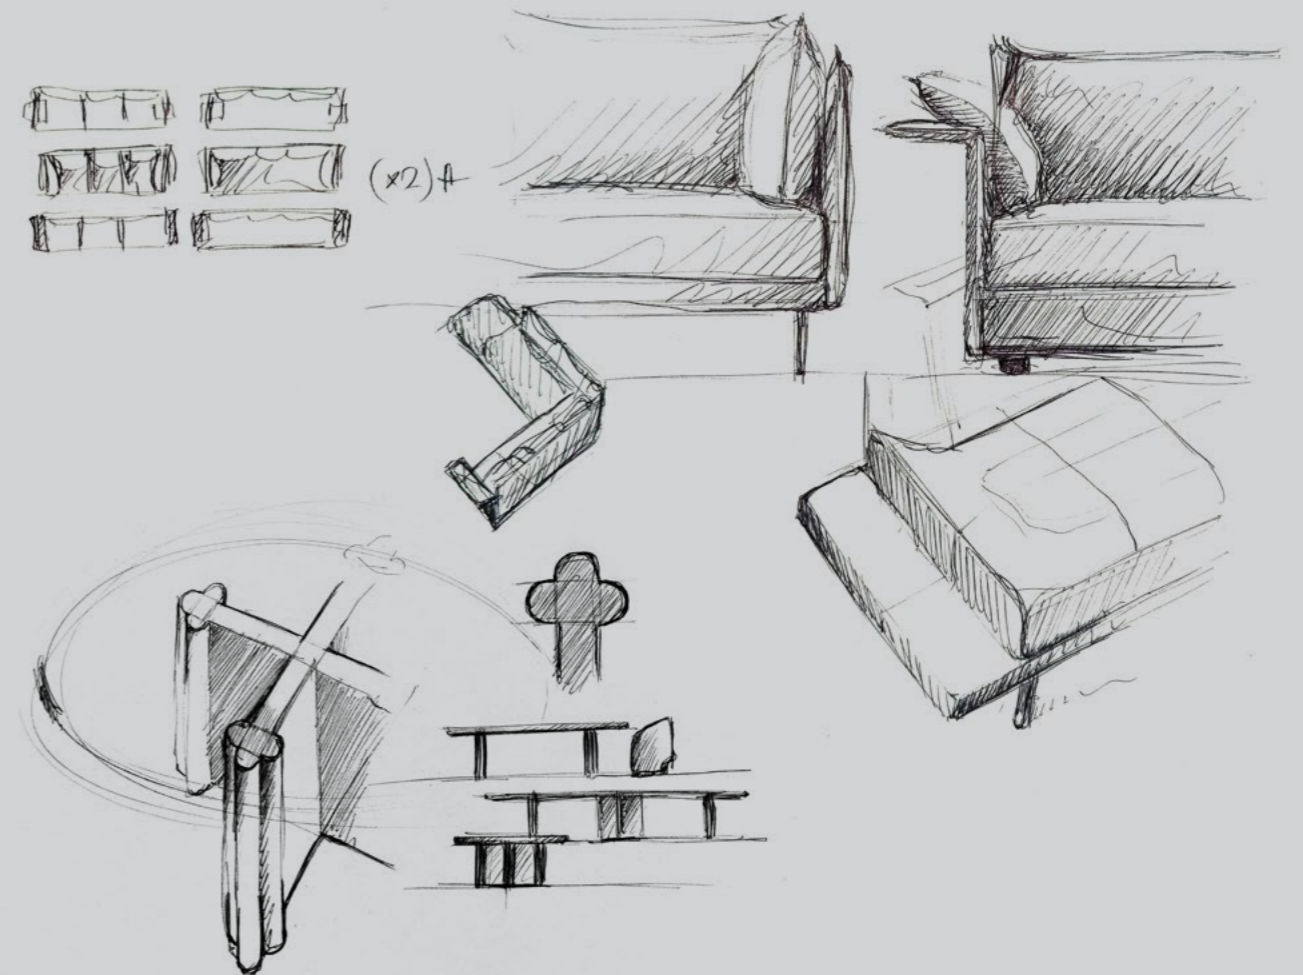

MARIO RUIZ. THE DESIGNER.

Design that is pristine and prosaic. This motif runs through the work of Spanish designer Mario Ruiz (Alicante, 1965), who has built a cosmopolitan career rooted in the vocation to create timeless designs. Every one of his projects, which comprise furniture, lighting and technology design and art direction, is exactly as it seems: objects whose clean, soft, coherent lines are an invitation for use. Intense work has gone into expressing their purpose and careful attention into their details. Among the over 50 awards he has garnered, the Spanish National Design Prize, Best of Neocon, Metropolis and Wallpaper Magazine awards stand out.

Un design épuré et familier. C'est le fil conducteur de l'oeuvre du designer Mario Ruiz (Alicante, 1965), qui a bâti sa carrière internationale sur la conception d'ouvrages qui perdurent dans le temps. Chacun de ses projets, englobant la conception de meubles, d'éclairage et de solutions technologiques et artistiques est fidèle à son apparence : des objets aux lignes épurées, douces et harmonieuses qui invitent à être utilisés. Un travail intense a été réalisé afin d'en dévoiler la finalité et un grand soin a été apporté aux détails. Tout au long de son parcours, il s'est vu décerné plus de 50 récompenses parmi lesquelles le National Design Award 2016 et les prix du Best of Neocon, Metropolis et Wallpaper Magazine.

El diseño claro y cotidiano. Este es el argumento que guía el trabajo del diseñador Mario Ruiz (Alicante, 1965), constructor de una trayectoria cosmopolita sembrada con la vocación de conseguir diseños que perduren en el tiempo. Cada uno de sus proyectos, que abarcan el diseño de mobiliario, iluminación, tecnología y la dirección de arte es lo que se ve: objetos que invitan a ser utilizados desde sus formas limpias y comprensibles. En ellos hay un trabajo intenso de resolver la identidad de cada uso y una cuidadosa atención por el detalle. Entre los más de 50 premios que ha recibido figuran el Premio Nacional de Diseño 2016, Best of Neocon, Metropolis y Wallpaper Magazine.
