JOQUER

JOQUER IS AN ARTISANAL AND METICULOUS COMPANY THAT HAS BEEN MANUFACTURING UPHOLSTERED FURNITURE FOR FORTY YEARS.

Our essence lies in the patient crafting of high-quality products, offering personalized solutions to our clients through complete control of the manufacturing process. For us, every space is unique, and every person is different. That's why the design of all our collections, both indoor and outdoor, is tailored to respond to four distinct lifestyles: Essential, Cozy, Singular, and New Classic. The distinctive character of each is, at the same time, united under a single design

philosophy, making all our products exude an unmistakable aesthetic serenity. Our furniture comes to life through three core values: accessible luxury, a valuable piece for everyday use, and timeless design. These three values feed off one another, each being the natural consequence of the other two. Details, comfort, and materiality truly matter to us. That's why our motto is "The unique everyday," the ability to enjoy the everyday as something exceptional.

Joquer est une entreprise artisanale et méticuleuse qui fabrique des meubles rembourrés depuis quarante ans.

Notre essence réside dans l'élaboration patiente de produits de haute qualité, offrant des solutions personnalisées à nos clients grâce à un contrôle total du processus de fabrication.

Pour nous, chaque espace est unique et chaque personne est différente. C'est pourquoi le design de toutes nos collections, tant intérieures qu'extérieures, est conçu pour répondre à quatre styles de vie distincts : Essential, Cozy, Singular et New Classic.

Le caractère distinctif de chacun est, en même temps, uni sous une seule philosophie de design, ce qui fait que tous nos produits dégagent une sérénité esthétique indéniable.

Nos meubles prennent vie à travers trois valeurs fondamentales : le luxe accessible, une pièce précieuse pour un usage quotidien, et un design intemporel. Ces trois valeurs se nourrissent mutuellement, chacune étant la conséquence naturelle des deux autres.

Les détails, le confort et la matérialité ont véritablement de l'importance pour nous. C'est pourquoi notre slogan est "Le quotidien unique", la capacité de profiter de l'ordinaire comme quelque chose d'exceptionnel.

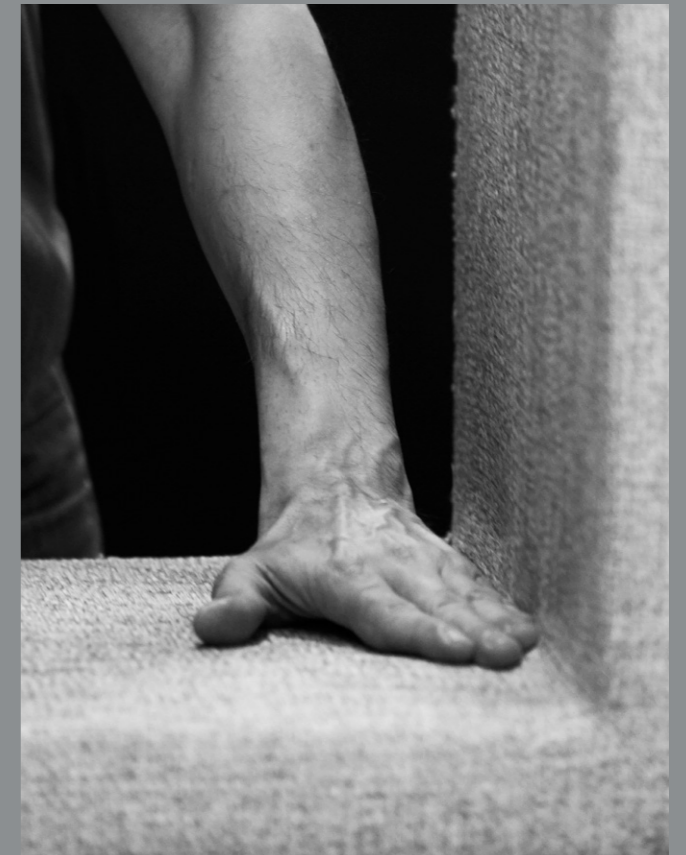

Joquer es una empresa artesana y cuidadosa que lleva cuarenta años fabricando mobiliario tapizado. Nuestra esencia es la elaboración paciente de productos de mucha calidad, dando respuestas personalizadas a nuestros clientes desde un control total del proceso de fabricación.

Para nosotros, cada espacio es único y cada persona es diferente. Por eso, el diseño de todas nuestras colecciones, de interior y exterior, responde a cuatro estilos de vida: Essential, Cozy, Singular y New Classic.

El carácter diferenciador de cada uno está, al mismo tiempo, unido bajo una misma forma de entender el diseño, lo que hace que todos nuestros productos respiren una inconfundible serenidad estética.

Nuestros muebles se hacen realidad a partir de tres valores: ser un lujo accesible, ser una pieza valiosa para cada día y tener un diseño atemporal. Los tres se retroalimentan, cada uno es la consecuencia natural de los otros dos.

Los detalles, la comodidad y la materialidad nos importan de verdad. Por eso nuestro lema es "The unique everyday", el saber disfrutar de lo cotidiano como algo excepcional.

FRONT COLLECTION.

WITH ITS RECTILINEAR SHAPES AND CLEAN GEOMETRIES, FRONT IS A COLLECTION THAT HIGHLIGHTS VERSATILITY AND COMFORT, DESIGNED WITH VARIOUS MODULES THAT ALLOW FOR THE CREATION OF SOLUTIONS FOR ANY COMPACT SPACE.

The balance of proportions between the armrests, seat, and backrest is expressed through harmonious and light lines.

The collection offers two optional bases: elevated or floor standing. In the first option, the modules rest on four legs with a one-centimeter front view profile and a wide surface finished in an arch shape from the side view. The floor standing version conveys a warm, universal identity of revisited tradition.

Avec ses formes rectilignes et ses géométries épurées, la collection Front met en valeur la polyvalence et le confort, conçue avec différents modules permettant de créer des solutions pour tout type d'espace compact.

L'équilibre des proportions entre les accoudoirs, le siège et le dossier s'exprime à travers des lignes très harmonieuses et légères.

La collection propose deux bases optionnelles : suspendue ou au sol. Dans la version suspendue, les modules reposent sur quatre pieds d'un centimètre de section vus de face et sur une large surface finie en arc sur le profil latéral. La version au sol transmet une identité universelle chaleureuse d'une tradition revisitée.

Con sus formas rectilíneas y sus limpias geometrías, Front es una colección que pone en valor la versatilidad y la comodidad, diseñada con distintos módulos que permiten construir soluciones para cualquier tipología de espacio ajustado.

El equilibrio de proporciones tanto de brazo como de asiento y respaldo se expresa a través de líneas muy armoniosas y ligeras.

La colección tiene dos bases opcionales: suspendida o a suelo. En la primera, los módulos descansan sobre cuatro patas de sección de un centímetro en su vista frontal y una amplia superficie terminada en forma de arco en su visión lateral. La versión hasta el suelo transmite una cálida identidad universal de tradición revisitada.

PADI COLLECTION.

A collection of light and airy occasional tables supported by three legs that form an arch, seamlessly integrating the metal base with the top, available in wood, natural or technical stone. With an organic design, the legs create a very lightweight appearance from the front view, contrasting with a broader profile from the side. The design of this base connects with the language of the legs from the elevated version of the Front sofa.

Une collection de tables basses et d'appoint légères et aériées soutenues par trois pieds qui forment une arche, intégrant parfaitement la base en métal avec le plateau, disponible en bois, pierre naturelle ou technique. Avec un design organique, les pieds créent une apparence très légère en vue frontale, contrastant avec un profil plus large en vue latérale. Le design de cette base se connecte avec le langage des pieds de la version suspendue du canapé Front.

Colección de mesitas auxiliares de imagen muy ligera y aérea sustentadas sobre tres patas que dibujan un arco integrando la base metálica con el sobre de madera, piedra natural o técnica. Con un lenguaje orgánico el diseño de las patas define una vista frontal muy liviana en contraste con la visión lateral, más anchas. El diseño de esta base conecta con el lenguaje de las patas del sofá Front en su versión suspendida.

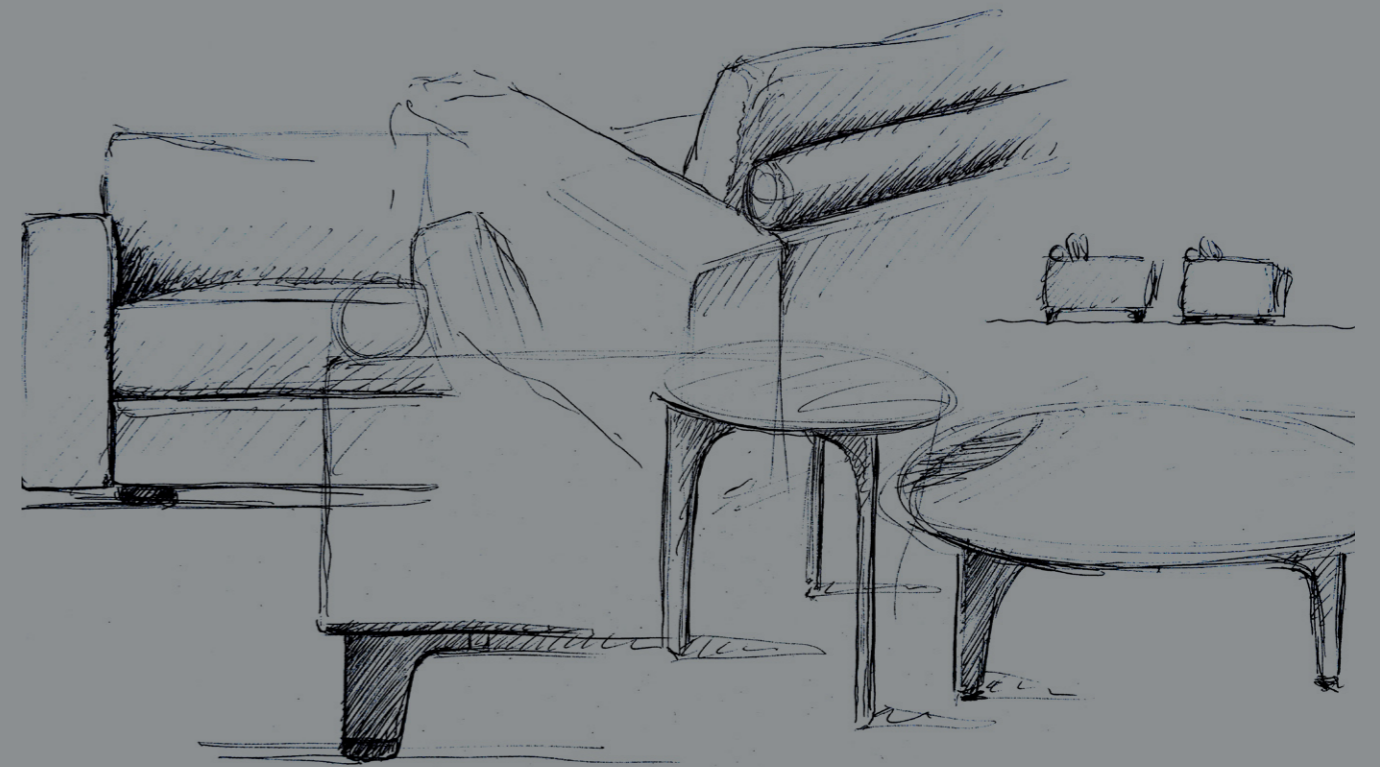

MARIO RUIZ. THE DESIGNER.

Design that is pristine and prosaic. This motif runs through the work of Spanish designer Mario Ruiz (Alicante, 1965), who has built a cosmopolitan career rooted in the vocation to create timeless designs. Every one of his projects, which comprise furniture, lighting and technology design and art direction, is exactly as it seems: objects whose clean, soft, coherent lines are an invitation for use. Intense work has gone into expressing their purpose and careful attention into their details. Among the over 50 awards he has garnered, the Spanish National Design Prize, Best of Neocon, Metropolis and Wallpaper Magazine awards stand out.

Un design épuré et familier. C'est le fil conducteur de l'oeuvre du designer Mario Ruiz (Alicante, 1965), qui a bâti sa carrière internationale sur la conception d'ouvrages qui perdurent dans le temps. Chacun de ses projets, englobant la conception de meubles, d'éclairage et de solutions technologiques et artistiques est fidèle à son apparence : des objets aux lignes épurées, douces et harmonieuses qui invitent à être utilisés. Un travail intense a été réalisé afin d'en dévoiler la finalité et un grand soin a été apporté aux détails. Tout au long de son parcours, il s'est vu décerné plus de 50 récompenses parmi lesquelles le National Design Award 2016 et les prix du Best of Neocon, Metropolis et Wallpaper Magazine.

El diseño claro y cotidiano. Este es el argumento que guía el trabajo del diseñador Mario Ruiz (Alicante, 1965), constructor de una trayectoria cosmopolita sembrada con la vocación de conseguir diseños que perduren en el tiempo. Cada uno de sus proyectos, que abarcan el diseño de mobiliario, iluminación, tecnología y la dirección de arte es lo que se ve: objetos que invitan a ser utilizados desde sus formas limpias y comprensibles. En ellos hay un trabajo intenso de resolver la identidad de cada uso y una cuidadosa atención por el detalle. Entre los más de 50 premios que ha recibido figuran el Premio Nacional de Diseño 2016, Best of Neocon, Metropolis y Wallpaper Magazine.
