JOQUER

THE SECRET OF HAPPINESS IS HIDDEN IN
THOSE SMALL ACHIEVEMENTS, WHICH
IS WHY THE TOUCH OF A WARM BREEZE
UNDER AN OPEN SKY ELEVATES OUR
SPIRITS SO MUCH. WE BELONG TO A
CULTURE OF SOLAR HAPPINESS; OUR
MEDITERRANEAN ROOTS HAVE TAUGHT US
TO SAVOUR THE MAGIC OF LIFE UNDER A
PIECE OF SKY USING ALL OUR SENSES.
JOQUER CELEBRATES EVERYDAY
AND ACCESSIBLE LUXURY WITH NEW
FURNITURE COLLECTIONS THAT PROJECT
OUR LONG EXPERIENCE WITH INTERIOR
FURNITURE, IN TERMS OF COMFORT, HIGH
QUALITY CRAFTSMANSHIP AND THE VERY
BEST DESIGN. JOQUER OUTDOOR IS BORN.

Le bonheur se trouve dans les petites victoires, c'est pourquoi l'étreinte d'une douce brise en plein air est d'une réjouissance infinie. Nous cultivons le soleil comme source de bonheur, nos racines méditerranéennes nous ont appris à magnifier la vie en stimulant nos cinq sens sous un coin de ciel. Joquer célèbre ce luxe quotidien et accessible en proposant de nouvelles collections de meubles pour l'extérieur qui témoignent de sa longue expérience dans le mobilier d'intérieur en termes de confort, de savoir-faire artisanal de qualité et d'un design avec un grand D. Joquer Outdoor est né.

En las pequeñas conquistas se esconde el secreto de la felicidad, por eso nos ilumina tanto el ánimo el abrazo de una brisa templada a cielo abierto. Pertenece a una cultura de felicidad solar, nuestras raíces mediterráneas nos han enseñado a saborear con los cinco sentidos la magia de la vida bajo un trozo de cielo. Joquer celebra ese lujo cotidiano y accesible con nuevas colecciones de mobiliario que proyectan en el exterior su larga experiencia en el interior en términos de confort, de gran calidad artesana y del mejor diseño con mayúsculas. Nace Joquer Outdoor.

SLEDD OUTDOOR COLLECTION.
SILENCE OUTDOOR COLLECTION.
SERENE OUTDOOR COLLECTION.
AXIS OUTDOOR COLLECTION.
BENE COLLECTION.

THE ARMS, BACKREST AND SEAT OF THE SOFA IN THIS COLLECTION ARE BUILT WITH PURE GEOMETRIC VOLUMES THAT REST ON AN EPOXY PAINTED ALUMINIUM STRUCTURE WITH A FRONT ELEMENT IN IROKO WOOD. THIS SET OF ELEMENTS RESTS ON A METAL BASE IN THE SHAPE OF A SKATE.

THIS IS COMBINED WITH THE AXIS TABLES, WHICH INCORPORATE THE SAME ALUMINIUM STRUCTURE TREATED WITH EPOXY PAINT AS THE SOFA AND THE IROKO WOOD FRONT WITH ULTRA-COMPACT TECHNICAL STONE TOPS.

SLEDD OUTDOOR.

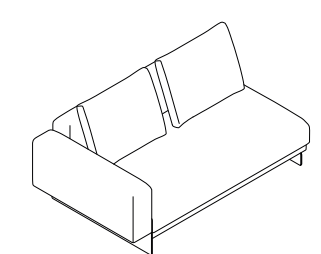

Les accoudoirs, le dossier et l'assise affichent des volumes géométriques d'une grande pureté et reposent sur une structure en aluminium traité époxy dont la partie avant est habillée de bois d'iroko. Cet ensemble repose sur une base métallique en forme de patin. Il se combine avec les tables Axis, qui présentent la même structure en aluminium traité époxy que le canapé et une partie avant en bois d'iroko ainsi qu'un plateau en pierre technique ultracompacte.

Brazos, respaldo y asiento del sofá de esta colección están contruidos con volúmenes geométricos puros que descansan en una estructura de aluminio pintada epoxi con un elemento frontal de madera de iroco. Este conjunto de elementos se apoya sobre una base metálica en forma de patín. Se combina con las mesas Axis, que conjugan la misma estructura de aluminio tratado con pintura epoxi del sofá y el frontal de madera de iroco con sobres de piedra técnica ultracompacta.

Coussins de dossier rembourrés en fibre de polyester, recouverts d'une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
Cojín de respaldo en fibra de poliéster recubierto con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- ② Seat cushion in different polyurethane foam densities with surface padding in polyester fibre with removable waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
Coussin d'assise combinant différentes densités de mousse de polyuréthane, avec matelassage extérieur en fibre, recouvert d'une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
Cojín de asiento realizado en distintas densidades de espuma de poliuretano, acolchado en la superficie con fibra de poliéster, recubierto con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- Iroko wood profile.
- ③ Ornement frontal de la structure en bois d'iroko.
Perfil en madera de iroko.
- ④ Structure made of aluminum finished with polyester powder paint. Structure en aluminium revêtue de peinture polyester en poudre. Estructura en aluminio recubierta en pintura poliéster en polvo.
- ⑤ Structure made of aluminum finished with polyester powder paint covered with flexible cold shaped polyurethane foam and polyester fibre with waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
Structure en aluminium revêtue de peinture polyester en poudre, recouverte de mousse de polyuréthane souple à froid et fibre de polyester, avec une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
Estructura en aluminio con espuma de poliuretano flexible en frío y fibra de poliéster, recubierta con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.

FEATURES.

- Removable upholstery covers in technical upholstery suitable for outdoor use.
- Aluminium frame, finished with polyester powder paint covered with cold flexible polyurethane foam and polyester fibre, with waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- Front of the frame in iroko.
- Seat cushion made of different densities of polyurethane foam, padded on the surface with polyester fibre. Removable waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- Back cushions filled with polyester fibre. Removable waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- Aluminium bases finished with polyester powder paint with LDPE stops.

TRAITS.

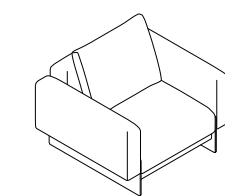

- Tapisserie entièrement déhoussable en tissu spécialement conçu pour l'extérieur.
- Structure en aluminium revêtue de peinture polyester en poudre, recouverte de mousse de polyuréthane souple à froid et fibre de polyester, avec une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
- Ornement frontal de la structure en bois d'iroko.
- Coussin d'assise combinant différentes densités de mousse de polyuréthane, avec matelassage extérieur en fibre, recouvert d'une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
- Coussins de dossier rembourrés en fibre de polyester, recouverts d'une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
- Bases en aluminium revêtues de peinture polyester en poudre et équipées de patins en PEBD.

CARACTERÍSTICAS TÉCNICAS.

- Tapicería totalmente desfundable en tejido especial para exterior.
- Bastidor de aluminio en pintura poliéster en polvo, recubierto de espuma de poliuretano flexible en frío y fibra de poliéster, con funda de poliéster impermeable, tratamiento antimoho y antibacterial.
- Embellecedor frontal del bastidor en madera de iroko.
- Cojín de asiento realizado en distintas densidades de espuma poliuretano, acolchado en la superficie con fibra, recubierto con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- Cojines de respaldo rellenos de fibra de poliéster, recubiertos con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- Bases en aluminio recubiertas en pintura poliéster en polvo con topes de LDPE.

COMPOSED OF A BODY UPHOLSTERED WITH SPECIAL OUTDOOR FABRICS AND VERY SOFT CUSHIONS, THE MODULAR SOFA, THE ARMCHAIR AND THE SILENCE SYSTEM ARE BUILT FROM AN ALUMINIUM BASE TREATED WITH EPOXY PAINT WITH AN IROKO WOOD FRONT. IT RESTS ON THE GROUND ON A STRUCTURE MADE UP OF TWO ALUMINIUM TUBE ARMS CONNECTED TO EACH OTHER HORIZONTALLY BY TWO OTHER TUBES, ONE ALUMINIUM AND ANOTHER ABOVE WHICH ACTS AS THE ARMREST, MADE OF IROKO WOOD.

SILENCE OUTDOOR.

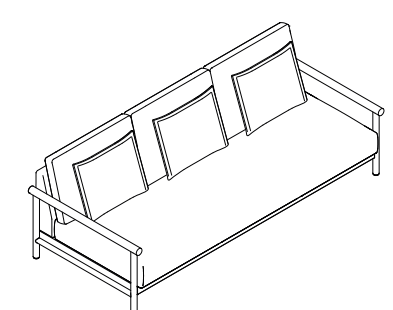

Composés d'une structure tapissée recouverte d'un revêtement textile spécialement conçu pour l'extérieur et de coussins extrêmement moelleux, le canapé modulaire, le fauteuil et la solution Silence disposent d'une structure de base en aluminium traité époxy et d'une partie avant habillée de bois d'iroko. Les éléments reposent sur une structure composée de deux accoudoirs en aluminium reliés horizontalement par deux autres tubes, l'un en aluminium et l'autre, placé plus haut, en bois d'iroko et faisant office de repose-bras.

Compuesto de un cuerpo tapizado con tejidos especiales para exterior y cojines muy mullidos, el sofá modular, la butaca y el sistema Silence se construyen a partir de una base de aluminio tratada con pintura epoxi y un frente de madera de iroco. Se apoya en el suelo a través de una estructura compuesta de dos brazos de tubo de aluminio conectados entre sí horizontalmente por otros dos tubos, uno de aluminio y otro superior, que hace la función de reposabrazos, de madera de iroco.

SERENE OUTDOOR IS AN OUTDOOR FURNITURE CONCEPT BASED ON FLEXIBILITY AND CUSTOMISATION, OFFERING YOU MULTIPLE POSSIBILITIES TO CREATE OPEN-AIR ENVIRONMENTS WITH THEIR OWN IDENTITY AND A PROFOUNDLY HEDONISTIC VIBE. THE DESIGN RESPONDS TO ANY SITUATION IN ANY SPACE, BASED ON A VERY SIMPLE MODULAR SYSTEM WITH JUST THREE ELEMENTS: AN OTTOMAN, A MODULE WITH A BACKREST AND A CORNER MODULE.

SERENE OUTDOOR.

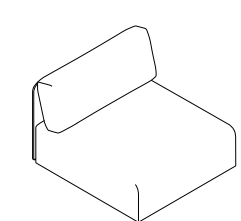

Serene Outdoor est une collection de meubles d'extérieur qui mise sur la polyvalence et la personnalisation pour créer de multiples ambiances en plein air qui sont dotées d'une identité propre et font la part belle à l'hédonisme. Son design s'adapte à toutes les situations et espaces en partant d'une solution modulaire de base composée de seulement trois éléments : un pouf, un module avec dossier et un module d'angle.

Serene Outdoor es un concepto de muebles de exterior basados en la flexibilidad y la personalización para crear múltiples posibilidades de ambientes con identidad y un profundo espíritu hedonista al aire libre. Su diseño da respuesta a cualquier situación en cualquier espacio partiendo de un sistema modular muy simple de tan solo tres elementos: un otoman, un módulo con respaldo y un módulo en esquina.

- ⑤ Structure made of aluminum finished with polyester powder paint covered with flexible cold shaped polyurethane foam and polyester fibre with waterproof cover made of polyester with special anti-mould and antibacterial treatment.
Structure en aluminium revêtue de peinture polyester en poudre, recouverte de mousse de polyuréthane souple à froid et fibre de polyester, avec une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
Estructura en aluminio con espuma de poliuretano flexible en frío y fibra de poliéster, recubierta con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.

FEATURES.

- Removable upholstery covers in technical upholstery suitable for outdoor use.
- Aluminium frame, with cold flexible polyurethane foam and polyester fibre, with waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- Seat made of different densities of polyurethane foam, padded on the surface with polyester fibre. Waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- Back cushions made of different densities of polyurethane foam, padded on the surface with polyester fibre. Waterproof cover made of polyester with special anti-mould and anti-bacterial treatment.
- LDPE bases.

TRAITS.

- Tapiserie entièrement déhoussable en tissu spécialement conçu pour l'extérieur.
- Structure en aluminium, recouverte de mousse de polyuréthane souple à froid et fibre de polyester, avec une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
- Assise combinant différentes densités de mousse de polyuréthane, avec matelassage extérieur en fibre, recouverte d'une housse en polyester imperméable bénéficiant d'un traitement antimoisissure et antibactérien.
- Coussin de dossier combinant différentes densités de mousse de polyuréthane, avec matelassage extérieur en fibre, recouvert d'une housse en polyester imperméable bénéficiant d'un traitement anti-moisissure et antibactérien.
- Bases en PEBD.

CARACTERÍSTICAS TÉCNICAS.

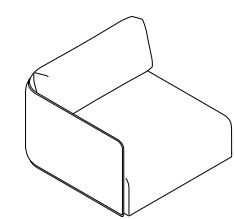

- Tapicería totalmente desfundable en tejido especial para exterior.
- Bastidor de aluminio, recubierto de espuma de poliuretano flexible en frío y fibra de poliéster, con funda de poliéster impermeable, tratamiento antimoho y antibacterial.
- Asiento realizado en distintas densidades de espuma poliuretano, acolchado en la superficie con fibra, recubierto con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- Cojín de respaldo realizado en distintas densidades de espuma poliuretano, acolchado en la superficie con fibra, recubierto con una funda de poliéster impermeable, con tratamiento antimoho y antibacterial.
- Bases en LDPE.

WITH A SIMPLE YET EMPHATIC DESIGN, AND A STRONG ARCHITECTURAL TOUCH, THE AXIS OUTDOOR TABLES ARE BUILT WITH AN ULTRA-COMPACT TECHNICAL STONE TOP OF DIFFERENT SIZES, WHICH CAN BE EITHER SQUARE OR RECTANGULAR, WHICH RESTS ON AN ALUMINIUM STRUCTURE TREATED WITH EPOXY PAINT AND A FRONT OF IROKO WOOD. A COLLECTION OF COFFEE AND SIDE TABLES WITH A STRONG IDENTITY THAT ACCOMPANIES JOQUER'S OUTDOOR SOFA COLLECTIONS.

AXIS OUTDOOR.

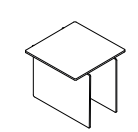

Dotées d'un design épuré et rigoureux et leur dimension architecturale imposante, les tables d'appoint Axis Outdoor sont composées d'un plateau en pierre technique ultracompacte proposé dans différentes tailles, de forme carrée ou rectangulaire, reposant sur une structure en aluminium traité époxy et une partie avant habillée de bois d'iroko. Une collection de tables basses et d'appoint à forte identité qui complète les collections de canapés d'extérieur de Joquer.

Con un diseño simple y rotundo, de fuerte cariz arquitectónico, las mesitas Axis Outdoor, se construyen con un sobre de piedra técnica ultracompacta de diferentes medidas, de forma cuadrada o rectangular, que reposa sobre una estructura de aluminio tratado con pintura epoxi y un frente de madera de iroco. Una colección de mesas centro y auxiliares de fuerte identidad que acompaña las colecciones de sofás de exterior de Joquer.

WITH AN INTEGRAL DESIGN AND SOFT CURVES, THE BENE COFFEE TABLES ARE THE PERFECT WAY TO COMPLEMENT ANY OF JOQUER'S COLLECTIONS OF OUTDOOR SOFAS AND ARMCHAIRS. WITH A LANGUAGE OF SOFT, ORGANIC LINES, THE BENE DESIGN IS BASED ON THE CHARACTERISTIC CURVED ALUMINIUM PLATE EPOXY PAINTED BASE THAT IS COMBINED WITH AN ULTRA-COMPACT TECHNICAL STONE TOP WITH FOUR REFERENCE SIZES AND HEIGHTS. LATERALLY, THE ROUNDED SHAPES OF BENE CREATE A VERY ENRICHING DIALOGUE WITH THE CURVES OF THE SERENE SOFAS, ALTHOUGH THEIR VERSATILITY MEANS THAT THEY ALSO WORK VERY WELL TOGETHER WITH ANY OTHER COLLECTION OF JOQUER SOFAS.

BENE.

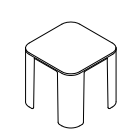

Grâce à leur design épuré et leurs lignes douces, les tables basses Bene sont un complément idéal pour toutes les collections de canapés et fauteuils d'extérieur de Joquer. Avec ses lignes organiques et subtiles, la collection Bene se distingue par ses formes toutes en courbes en aluminium traité époxy et un plateau en pierre ultracompacte proposé dans quatre références de taille et de hauteur. Dans une vue latérale, les formes arrondies de la collection Bene se combinent harmonieusement avec les lignes sinueuses des canapés de la collection Serene, tout en pouvant compléter parfaitement les autres collections de canapés de Joquer.

De diseño esencial y de suaves curvas, las mesitas Bene son un complemento perfecto con cualquiera de las colecciones de sofás y butacas outdoor de Joquer. Con un lenguaje de líneas orgánicas y ligeras, el diseño de Bene se sustenta en una característica base curvada de plancha de aluminio pintada epoxi que se combina con un sobre de piedra técnica ultracompacta con cuatro referencias de tamaños y alturas. Lateralmente, las formas redondeadas de Bene generan un diálogo muy enriquecedor con las curvas del diseño de los sofás Serene, aunque su versatilidad hace que funcionen muy bien también junto a cualquier otra colección de sofás de Joquer.
